This image shows a full page of handwriting practice paper. It contains ten identical horizontal rows designed for letter formation. Each row is defined by three wavy lines: a top dashed line, a middle solid line, and a bottom dashed line, providing a guide for letter height and placement. The background is white, and the lines are a light brown color.

This image shows a single sheet of white paper designed for handwriting practice. It features ten evenly spaced, horizontal wavy blue lines that run across the width of the page. These lines are intended to guide the placement of letters, typically serving as a baseline or midline for capital and lowercase letter formation respectively. The paper is otherwise completely blank, with no margins, text, or other markings.
